

## Rx: Housing Fund Application

If you are working to house homeless clients in Louisville, below are the steps to accessing the resources from the Rx: Housing fund.

**1)** The Volunteers of America SSVF program has funding for veterans and should be the first point of housing assistance. They can provide both deposits and furniture household items for veterans with more than 180 days active service and incomes below 50% of AMI. If someone has already been accepted for VASH they must have a referral from the VA to get assistance through SSVF. The program is coordinated by Sean Dunbar at [seand@voamid.org](mailto:seand@voamid.org).

**2)** Some veterans may not be eligible for SSVF assistance including anyone with a dishonorable discharge. In these cases, contact Anna Shobe-Wallace at [anna.wallace@louisvilleky.gov](mailto:anna.wallace@louisvilleky.gov) for assistance with deposits and beds (and maybe other furniture as well). You will need to complete and send her a referral form. Contact her for additional information. Also, John Miles at Metro Louisville is coordinating furniture donations and vouchers at St. Vincent de Paul. You can contact him at [john.miles@louisvilleky.gov](mailto:john.miles@louisvilleky.gov) to see what is available.

**3)** If neither of those work and you still have household needs after trying both, follow the procedures below.

### Program requirements:

1. Is the client a homeless person moving from the streets to permanent housing? \_\_\_Yes \_\_\_No
2. Is the client? \_\_\_ a veteran, \_\_\_ chronically homeless, \_\_\_ 18-24 years old, \_\_\_ other homeless
