\*The majority utilizes our YMCA Safe Place emergency shelter projects.

\*\*In previous years, we have reported on data regarding whether someone *identifies* as a survivor/victim. We are adjusting the census to account for those clients who state that they are *currently fleeing DV*.

**Success in Reducing Homelessness**

Each year, the homeless providers in Jefferson County, KY manage to stabilize and move many of the homeless people out of homelessness. This table shows our community success in moving people to some type of permanent housing during the year.

Percent of total homeless people entering permanent housing in 2019 (defined by exit destination in HMIS).	(1145 Clients) 13% of the total (8745). Represents a 6% decrease from 2017.
