Success in Reducing Homelessness

Each year, the homeless providers in Jefferson County, KY manage to stabilize and move many of the homeless people out of homelessness. This table shows our community success in moving people to some type of permanent housing during the year.

Percent of total homeless people entering permanent housing in 2020	(1227 Clients) 13% of the total (9693).
(defined by exit destination in HMIS).	Represents a 7% increase from 2019.
