Original 2018 Census Numbers (prior to adjusting the report groups to compare with the revamped 2018 Census)
Number of Homeless

The homeless service providers in Jefferson County, KY counted 6986 unduplicated homeless people who were served between October 1, 2017 and September 30, 2018. This number includes both sheltered and unsheltered* homeless. The count of the unsheltered homeless is an estimate, due to the difficulty in counting this population group.

Sheltered homeless	6354	7% Increase from 2017
Unsheltered homeless	632	18% Decrease from 2017
Total	6986	4% Increase from 2017

* Sheltered = people who stayed in emergency or transitional shelters.
 Unsheltered = people living on the street or who received homeless services other than shelter.

Homeless Subpopulation Counts
