

Louisville Metro Continuum of Care
2024 Homeless Census
 October 1, 2023 – September 30, 2024

	Counts	Change from 2023
Total Clients Served <i>Through emergency shelter, transitional housing, outreach, Common Assessment, supportive services, & day shelters</i>	12,385	1.0%
Total Clients Sheltered <i>Through emergency shelter, White Flag & transitional housing</i>	6,137	4.6%
Total Clients Housed <i>People moved from homelessness into permanent housing</i>	1,456	-9.5%

After years of significant increases, in 2024, the total number of clients who received homeless services in Louisville appears to have stabilized. But unfortunately, due to increased lengths of stays in shelter and difficulty accessing affordable housing, the number of clients moved into permanent housing dropped in 2024 over 2023.

Household Type	Count
Single adult individuals served	10,197
People in families served	1,917
Youth 17 & under entering homelessness without an adult	271
Total:	12,385

Homeless Subpopulations

The totals below reference the **12,284 clients** who utilized emergency shelter, transitional housing, outreach services, Common Assessment, supportive services projects, and day
